

REPUBLIC OF THE PHILIPPINES
INTER-AGENCY TASK FORCE
FOR THE MANAGEMENT OF EMERGING INFECTIOUS DISEASES

RESOLUTION NO. 45

Series of 2020

June 10, 2020

WHEREAS, on March 16, 2020, to prevent the sharp rise of COVID-19 cases in the country, the President placed the entirety of Luzon under Enhanced Community Quarantine until April 14, 2020;

WHEREAS, on March 30, 2020, to develop a science-based approach in determining whether the Enhanced Community Quarantine in Luzon should be totally or partially lifted, extended, or expanded to other areas, the Inter-Agency Task Force (IATF) convened a sub-Technical Working Group tasked to define parameters in assessing recent developments in the Philippine COVID-19 situation;

WHEREAS, on April 3, 2020, the IATF finalized the parameters for deciding on the lifting or extension of the Enhanced Community Quarantine in Luzon, which include trends on the COVID-19 epidemiological curve, the health capacity of the country, social factors, economic factors, and security factors;

WHEREAS, on April 30, 2020, the Office of the Executive Secretary issued Executive Order (E.O.) No. 112 Imposing an Enhanced Community Quarantine in High-Risk Geographic Areas of the Philippines and a General Community Quarantine in the Rest of The Country from 01 To 15 May 2020, Adopting The Omnibus Guidelines On The Implementation Thereof, And For Other Purposes;

WHEREAS, on May 27, 2020, the IATF released an updated risk classification in all Provinces, Highly Urbanized Cities and Independent Component Cities in the country, placing localities under different classifications of community quarantine with the goal of balancing economic activity and public health;

WHEREAS, as of June 10, 2020, there is a total of Twenty-three Thousand Seven Hundred Thirty-two (23,732) confirmed cases in the Philippines;

NOW, THEREFORE, BE IT RESOLVED, as it is hereby resolved, that the IATF approves the following:

- A. Recognizing the need to continue the efforts of contact tracing, the IATF reaffirms its policy on maximizing the use of StaySafe.PH for this purpose. The following agreements are hereby made by the IATF in terms of the use and management of the StaySafe.PH application to further strengthen compliance with relevant cybersecurity, data privacy, and confidentiality laws as recommended by the Department of Information and Communications Technology (DICT) and the National Privacy Commission (NPC):

REPUBLIC OF THE PHILIPPINES
INTER-AGENCY TASK FORCE
FOR THE MANAGEMENT OF EMERGING INFECTIOUS DISEASES

1. A Memorandum of Agreement (MOA) or such other deed or agreement as shall be necessary shall be entered into between Multisys Technology Corporation (Multisys) and DOH regarding the donation and use of StaySafe.PH application which shall include the source code, all data, data ownership, and intellectual property involved of the former to the latter;
2. DOH shall accept the StaySafe.PH application upon the issuance by the DICT and the NPC of a certification that the donation is technically feasible and secure (*ex. vulnerability assessment and penetration testing should have been conducted, among others*), that systems are compatible, and that the arrangement is compliant with data privacy laws.

Further, the version of StaySafe.PH to be donated by Multisys must be able to perform the functions of two (2) separate applications, as follows: *First*, bluetooth digital contact tracing which shall be connected to tracing technologies (*ex. Google, Apple, etc.*) and, *Second*, serve as the frontend application system for the LGUs;

3. The function of StaySafe.PH application shall be *limited to collection* of data while, on the other hand, all data collected shall be *stored* in DOH's Covid-Kaya system;
 4. Finally, as part of the donation, all data currently in the database of StaySafe.PH shall be migrated to Covid-Kaya;
 5. Multisys is hereby given thirty (30) days from date of this Resolution to comply with the above directives. Otherwise, the endorsement by the IATF to the effect that StaySafe.PH is the official contact-tracing application of the government shall be withdrawn and Multisys shall migrate the data collected and stored in StaySafe.PH to the DICT.
- B. The recommendations of the Department of Trade and Industry (DTI) on the proposed protocols for the reopening of dine-in food establishments are hereby adopted, the specifics of which are as follows:
1. The minimum public health standards protocol for dine-in food industry is cleared for distribution to and compliance of the concerned sector;
 2. The gradual reopening of the industry in areas under GCQ may begin on 15 June 2020 at thirty percent (30%) operational capacity. *Provided that* venue capacity allows for social distancing protocols. *Provided further*, that such businesses are compliant with the proper protocols prescribed by the DTI;
 3. The resumption and/or continued operations of dine-in food establishments shall be subject to their proprietors' compliance with the proper health protocols set by the DTI, DOLE, and DOT. Further, their compliance shall be assessed through a post-
